

## **DO YOU KNOW THE MYSTERY?**

**Teaching by: Mary Lou Houllis**

"the revelation of the mystery, which has been kept secret since the foundation of the world." Romans 16:25

Recently a friend sent me the movie, "The Secret" which I enjoyed very much. The movie's interpretation of the secret was The Law of Attraction. It was well done and showed many principles which the Bible also teaches. The main point was, we are magnets for what we truly believe. The word says it this way; as a man thinks, so goes his life. It also tells us to renew our mind, and repent. Both of these terms refer to a change or turn around, of our thoughts. Transformation in your thinking, will bring transformation into your life, and ultimately bring about the change the whole world is waiting for. You see we must BE the change we so long for!

Although I learned many things from the movie which empowered my life, the real secret to me is much greater and more mysterious than the accomplishments they showed. The great universal secret is what the Bible speaks of as the mystery. That mystery is Christ in you, me, and all mankind. God incarnate in flesh! Creation has been on tiptoes waiting and groaning until now to see the corporate manifestation of this mystery revealed in the earth.

Down through the ages a select group have awakened to the mystery. Many, saw it from afar and longed for the time it would become reality. Today many look at world events from a perspective of hopelessness, fear and uncertainty because they don't understand the mystery. Those which do, view from a much higher dimension than what the natural eye dictates and are filled with excitement and expectancy! So the question for each of us is, do we know the mystery.. .really know and believe with all of our being and that it is for us here and now!

Jesus Christ came to earth not only to reveal, but to demonstrate the mystery! His every thought, word and action, enabled it to be brought into manifestation. On the Third Day after his crucifixion Christ awakened from death and forever walked out of the realm which was limited by time and space. He said to Mary, don't touch me for I ascend unto my Father and your Father. Christ was not speaking about leaving Earth at that moment but about an ascension within himself which was taking place. After his ascension he appeared and disappeared in the physical realm at will. He shocked his disciples by manifesting in a room where all the doors had been locked. The dimension we call space no longer had any hold on Christ. He also reversed the second Law of Thermodynamics by being in a grave three days and nights and coming out without any decay! He said follow me, I will show you how to ascend a mind of limited thought, a belief system brought in by the first Adam, which could not believe the mystery, divinity in man. I have come to demonstrate how to live from infinite divinity in the earth. Jesus Christ was our pattern of ascension life. Two thousand years ago He said the Day we have entered would be the greatest corporate unveiling of the mystery, creation would ever see! So again I ask, do you know and believe with your whole being that you too were placed in this Day to manifest the mystery?

Our destiny, just as Jesus Christ before us, is to fully awaken and then demonstrate the mystery to the world. We have NOW entered the Day in which this is purposed to be released and seen in all the earth through a re-remembering of a Body, called the Sons of God!

"BEHOLD, I show you a mystery,  
we shall not all sleep (die)  
but we shall all be changed."  
I Corinthians 15:51

Here it is, the great mystery of the Bible. Not dying yet being changed! Many wrongly interpret this to be a time when only the just will be taken from the earth by a rapture into heaven. Our CDs called *The Great Catching Away, Pt. 1 & 2* can explain the error of this teaching. The first thing that must be understood is where is heaven. The Bible is a spiritual book which can only be understood by the Spirit! (If you do not understand heaven, send for our CD *Heaven In Earth*.) Christ clearly showed us the transformation was to be on this earth, by a people who would awaken from the dream of death which the first Adam brought in.

This scripture speaks to us of a change taking place within our bodies without going through the shadow of death. The scriptures following in I Corinthians 15 give us even more understanding. They refer to this change happening in a moment, in a twinkling of an eye as the last trumpet sounds. What is all this speaking about? Moment in Greek means *indivisible, an atom of time*. This gives us a key that this is when we awaken to our oneness with God, knowing no separation but *indivisible* with God. A knowing that we are one with the source of infinite energy that had no beginning nor end. The twinkling of an eye, refers to *the jerk of the head, or a sudden motion which gives an extended projection* into a realm which can only be seen from the spirit, or single eye. Remember the word tells us if our eye be single (seeing only from the spirit and not from the physical realm of duality), our whole body will be full of light. Transformation into our true identity as a light being! And notice also, there is a last trumpet which is sounding. A trumpet in spiritual language, is a clear sounding word or voice (Rev. 1:10.) What that last trumpet is saying is found in Revelation 10:7. It is a message declaring that the mystery of God is finished! A word we hear within ourselves that the mystery of God is complete, accomplished, the ultimate prophetic purpose of God has come to an end. What is that purpose? To have a transformation, or metamorphosis into the fullness of God from within your body without going through death. Verses 53 & 54 plainly tell us. Corruptible will put on incorruption, and mortal will put on immortality. When this happens death will be swallowed up in LIFE! No more death! Eternity *will* become visible in this dimension and the realm of polarity will have no more power over us. The words spoken in Genesis 1:31 will be our only truth ... "And God saw everything that he had made, and behold, it was very good!" This is our destination, and nothing can stop it. While others may be seeing great devastation ahead in the world, there are a people which see only from the spirit and know the mystery. These people are experiencing a change, a change that is destined to swallow up the Adamic dream into Life!
